For commercial, industrial efficiency programs, please visit "<https://bizsolutions.energysavenj.com/>." First Energy's New Jersey Utility, their parent subsidiaries, employees, affiliates, and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any Program Ally.

Disclaimer: FirstEnergy's New Jersey utility provides a Program Ally listing as a courtesy to customers, but does not approve, recommend, endorse or otherwise promote any Program Ally, vendor, manufacturer, distributor, contractor, or any other provider of products and services that could potentially qualify for FirstEnergy's Energy Efficiency programs. FirstEnergy's utilities and TRC provide this list of independent contractors as a convenience for customers seeking assistance with energy savings-related products and services. Participating contractors are independent and are not affiliated with FirstEnergy, its utilities, or TRC. Customers are solely responsible for dealing directly with contractors in all aspects of their interaction including, but not limited to the definition of the scope of work, costs, contractual terms and conditions, and the level of accuracy required when estimating energy savings.

By participating in these energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market with proceeds being used to offset the program costs.
