

Jersey Central Power & Light

Instant Discounts Program - Lighting Distributors

Find a Distributor

Program Allies include electrical or mechanical contractors, architects, engineers, equipment vendors, individual providers of goods and services or others who will work directly with New Jersey customers of JCP&L to plan and implement energy efficiency projects.

JCP&L provides a Program Ally listing as a courtesy to customers, but does not approve, recommend, endorse or otherwise promote any Program Ally, vendor, manufacturer, distributor, contractor or any other provider of products and services that could potentially qualify for JCP&L's Energy Efficiency programs. JCP&L and TRC provide this list of independent contractors as a convenience for customers seeking assistance with energy savings related products and services. Participating contractors are independent and are not affiliated with JCP&L or TRC. Customers are solely responsible for dealing directly with participating contractors in all aspects of their interaction including, but not limited to definition of scope of work, costs, contractual terms and conditions, and the level of accuracy required when estimating energy savings.

Neither JCP&L nor the Energy Solutions for Business Programs implementation contractor, TRC, or agents, contractors, employees, officers and directors makes any representations regarding, or warrants the products and/or services of participating independent contractors, nor are they responsible or liable for any work performed by participating contractors, their subcontractors, or their suppliers in particular regarding whether it complies with any particular law, codes or industry standards, achieves any particular results or is safe or adequate for its intended purposes.

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysaveNJ.com.

Participants agree not to disclose any information collected for or provided by the Company for purposes of fulfilling services for the Company's energy efficiency and peak demand reduction programs. All Capacity Rights generated by the Company's Energy Efficiency and Peak Demand Programs shall remain the property of the Company to aggregate into the PJM capacity market. Capacity Rights refer to the demand reduction associated with any energy efficiency measures for which energy efficiency or peak demand reduction program incentives were provided by the Company. Participants are prohibited from claiming such Capacity Rights.

JCP&L's energy efficiency programs are administered by TRC, a third-party implementation specialist that helps homes and businesses save energy.
